Dear Parents,

Welcome to the 2014 school year. In particular I welcome our new families and staff to Mt St Patrick Primary School and I trust that your association with the school will be a long and rewarding one.

NEW STAFF

Our school welcomes two new staff members for 2014. Miss Caitlin Martin (Stage 2CM). Miss Martin taught in Stage 2 during Term 4 last year we were impressed with her dedication, enthusiasm and wonderful rapport that she developed with the students in her care. Miss Jessica Armour assumes the role of Music Coordinator. Miss Armour will be teaching all Year levels Music on Tuesdays and Wednesdays. Miss Armour is a highly accomplished musician coming from a family of talented musicians.

INFORMATION NIGHTS & PARENT FORUM

I encourage all parents to take an active role in their child’s education. In the first instance this can be achieved by attending the upcoming Information Nights for each Stage and the Parent Forum Meeting. Please refer to page 3 for all dates and times for your child’s stage meeting Information Night. I would also ask you to consider how can I assist the school throughout the year in meeting my child’s needs and goals. Consider not only their academic achievements, but also your hopes within the social, emotional and spiritual context of their lives as well.

SCHOOL IMPROVEMENTS

Over the holiday period a number of school improvement works took place. Firstly, outside the Middle School classrooms, beautification of a garden area now allows for students to use as a quiet / reflective area for reading, group work etc. This area is symbolised with a tiled cross on the ground surrounded by wooden seats.

Both Kindergarten rooms had air-conditioning installed. This now means that all classroom in the school are air-conditioned. Also, outside the Kindergarten rooms, new sand pits have been created as well as landscaping of gardens to complete this area. Photos of these improvements are included in this newsletter.

PARKING / ROAD TRAFFIC CHANGES

New parking signage and traffic management is in operation. Parents are encouraged to use the improved access of ‘Kiss and Drop’ along Mooball St in the morning and ‘Pick Up’ in Qld Rd in the afternoon. Please refer to last weeks handout for all traffic arrangements around the school. In particular parents please note that NO pick up along the Western side of Mooball St (eg in front of the Showgrounds). Parents and students are strongly encouraged not to cross Mooball St in both the morning and afternoon.

KINDERGARTEN 2014

We welcome all our new Kindergarten students as they begin BIG SCHOOL tomorrow. Last week all Kindergarten students participated in ‘Best Start’ testing which provides valuable information to their teacher in preparation for the school year.

- **Sport Shoes:** students to wear sports shoes that are predominantly white (this includes white laces – no coloured laces).

**The wearing of the school uniform is compulsory and therefore non-negotiable.**

### STAFF SUPERVISION

School hours are 8:50am to 3:15pm. Children who live locally should not arrive before 8:20am. Staff are present at the school from 8:20am to 3:45 pm and no responsibility for the supervision of children is accepted outside these times. Children are not permitted to leave the school premises unless they have written permission from their parent/guardian. A direct phone call by a parent is not acceptable. It is not appropriate for parents to visit their children on the playground during breaks or to ‘hang around’ with children before school. Thank you for your support in this area.

### LEAVE EARLY & LATE TO SCHOOL

To ensure that the school complies with State Legislation the school has a Leave Early slip and a Late slip. The late slip must be filled in by either the parent/child if arriving late to school. Students who arrive late to school WILL NOT be allowed to enter the class unless they present the class teacher with a late slip. Students who arrive late to school must first report to the office and must not be taken straight to class. The leaving early slip must be completed by the parent/guardian before a student can be taken from the school. The parent/guardian will then proceed to their child’s classroom and present the class teacher with a leaving early slip. The forms are located in the office. Essentially these forms are kept as a record of when students arrive and leave the school outside normal hours.

### CANTEEN ROSTER

A copy of the new canteen price list accompanies this newsletter. A copy of the price list is also available on our school web page or Moodle. **NB:** that ‘TNT’s/ Snappers’ will no longer be available to be purchased from the canteen. ‘BEST START’ KINDERGARTEN ASSESSMENT

Last week our 2014 Kindergarten students took part in the ‘Best Start’ Literacy & Numeracy Assessment.

What is the Best Start Kindergarten Assessment?
Children come to school with different levels of literacy and numeracy. Some are familiar with books, can recognise some letters, even write their name or count to ten, while others have not yet learned these skills.

Kindergarten teachers have always observed their new students and used different methods to find out what each child knows and can do so that they can plan and teach what their students need to learn next.

Best Start was developed by early learning experts in the Department of Education and Training. The aim of Best Start is to give Kindergarten teachers a common set of high quality assessment tools and professional training.

Best Start will build on the strengths of our teachers and give your child an even better start to school.

How will the Best Start Kindergarten Assessment benefit my child?
It is very important to emphasise that the Best Start Kindergarten Assessment is not a test. Its purpose is to help the teacher gather information to guide the teaching of each Kindergarten child.

The teacher will observe each child and use tasks, such as talking about a book that has been read, and record what their students know and can do. The teaching of your child will be based on the information gathered in these ways.

What is being assessed?
The teacher will look at each child’s early reading and writing, their ability to communicate with others, and how they recognise and work with numbers, groups and patterns.

IMPLEMENTATION OF THE AUSTRALIA CURRICULUM IN NSW.
We are currently implementing the new Science and English syllabus in our classrooms.
The Australian Curriculum focuses on ensuring an entitlement to a sound body of knowledge, skills and values for all students while acknowledging that the needs and interests of students will vary. The curriculum provides the content and a set of achievement standards which dictate the expected quality of learning in year levels from K to Year 10.

The NSW Board of Studies has worked closely with teachers and key education stakeholders to develop from the Australian Curriculum syllabuses that give further detail and clarification for teaching and learning in our State.
The new State syllabuses build on the strength of the existing NSW curriculum. Many features of the new K–10 English, Mathematics, Science (incorporating Science and Technology K–6) and History syllabuses are evidence of this.

Catholic schools and colleges in our diocese will start the implementation in 2014.
