St Vincent De Paul Winter Appeal
We are once again calling for assistance for our Winter Appeal. Please access the Vinnies website at https://www.vinnies.org.au/dosomething/
to read some inspiring stories explaining how Vinnies assist families just like us to find happiness when times get tough.

If you would like to donate to this you may send in non-perishable food items, blankets and warm clothing with your child to their classroom teacher. Donations of money are also gratefully received by St Vincent de Paul who in turn pass it on to those needy people who find life a bit harder in the winter. Please have these donations in by Wednesday 25th June.

Children will attend Mass at 12 noon on Friday 27th June to celebrate the Feast of the Sacred Heart which is traditionally when we think about the loving heart of Jesus on fire with love for all people.

We will present these items at this special mass to members of St Vincent De Paul.

MT ST PATRICK ATHLETICS CARNIVAL
A program for the carnival accompanies this newsletter. Once again the Infants students will be joining the Primary students at the Murwillumbah High School oval, but will be participating in their own activities.

All students (except house captains) are to come to school and walk down with their class. They may wear a house coloured t shirt (optional), with their sport uniform and girls may change into black or navy shorts.

All food and drinks are to be taken to the oval as no canteen facilities are available. The mobile coffee van will be available for parents and staff from 10am.

Thank you to the parents who have volunteered to assist staff, it would be great if they could meet me at the oval by 9.15am.

Parents don’t be afraid to offer assistance as it certainly makes a difference to the smooth running of the carnival!

Parents may take their child home from the oval after seeing their classroom teacher. I am looking forward to a great day!

KINDERGARTEN
HENNY PENNY CHICKENS

Last Monday we had a very special delivery in the Kinder classrooms from Henny Penny Hatching. We received eggs that were almost ready to hatch and three baby chicks! Our Science unit this Term is ‘Staying Alive’ and we are learning about what we need to live and what other animals need to live. Over the last week the Kinder students have excitedly watched as cracks have formed on the egg shells and some students have even been lucky enough to see a baby chick hatch. We are finding it very interesting to observe the changes that are happening and we have to make sure we give them everything they need to live. Thank you to the Parent Forum for the financial support in allowing Kinder to have Henny Penny Hatching in our Kinder rooms.

Comments from Kinder students about the baby chicks:
‘They like to peck & their feet are spiky’. Coby Williams
‘They feel fluffy, soft and warm’. Georgia Biskup
‘When the baby chick hatched it was all gooey and wet’. Miley Field
‘The chicks say “cheep; cheep” and they have sharp claws’. Nicholas Charman
‘They are soft and yellow and a bit smelly’. Emily Thomas
‘They’re cute but they’re freaking me out’. Isabel Lazaredes
‘I like watching them running around and sleeping’. Cyennah Tiller
‘When I held it, it was tickling me’. Nicholas Piccini
