Dear Parents,

NAPLAN TESTING
This week the National Assessment Program – Literacy & Numeracy (NAPLAN) will be completed by all students in Years 3 & 5.

**Tuesday 11th**

**Language Conventions**
(Spelling, Punctuation & Grammar)

**Writing**

**Wednesday 12th**

**Reading**

**Thursday 13th**

**Numeracy**
(Number, Algebra, Function & Pattern, Measurement, Chance & Data and Space)

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

We wish all our Year 3 & 5 students well with their NAPLAN this week.

SUPPORT A TALKER
A new initiative this year has been the Kindergarten ‘Support a Talker’ program. The program involves a number of screening assessments to document each student’s oral language skills in a range of areas including: speech pronunciation, grammar and spoken sentences, understanding & reasoning, vocabulary and sound awareness. Each child’s performance in these areas was scored and the results were reviewed by a Speech Pathologist. Our Kindergarten teachers are now in the process of meeting with parents of all Kindergarten students to explain the testing results for their child.

KINDERGARTEN ENROLMENTS & INTERVIEWS FOR 2011
Interviews for all new Kindergarten enrolments for 2011 will commence next week. Our School Office has contacted those families who have completed enrolment forms for an appointment. If any existing families at Mt St Patrick have yet to complete an enrolment form for their child starting school, please contact our School Office this week.

BUILDING DEVELOPMENTS
Construction on the oval has commenced with earth moving equipment on site. Our school web page now has a link to weekly photographs that will track developments over the coming months. Take some time to visit [www.murplism.catholic.edu.au](http://www.murplism.catholic.edu.au) and go to the BER Building Photos link.

Enjoy your week!

Acting Principal
SESQUICENTENARY MASS

Some representatives from our school community including staff, parents and students attended the Solemn Mass in Commemoration of the Sesquicentenary of the Catholic School Education in the Diocese of Lismore. The Mass was concelebrated by Bishop Geoffrey Jarrett DD, Bishop of Lismore.

VIRTUE OF THE WEEK
REVERENCE

What is Reverence?
Reverence is behaving with an awareness that you are always in the presence of the Creator and that all life is very precious. Reverence can be experienced in moments of prayer or reflection. It is treating Holy Books and other sacred things as very, very special. Whether you are in a place of worship or spending time in a place of beauty, reverence is being still and allowing the wonder you feel to shine through.

SEASONS FOR GROWTH EDUCATION PROGRAM FOR 2010

Loss and grief are issues which affect all of us at some stage in our life. Learning to deal effectively with these issues is central to personal wellbeing and happiness. Unresolved grief can also affect a student’s learning. This term Mt St Patrick Primary is offering Seasons for Growth, which supports children who have experienced change in the family because of a death, separation or divorce. The program explores issues such as change, loss, managing feelings, coping strategies and support networks. Seasons is an eight session program which concludes with an additional “Celebration” session. (For more information the website is http://goodgrief.aust.com)

We would like to stress that personal information is not discussed during any of the sessions so please know that all is treated with respect and confidentiality.

Seasons will be facilitated by companions who have received special training in the use of this program. If you think your son or daughter would benefit from Seasons, please fill in the tear off section below and return to the school by Friday 21st May, (Week 5).

Mt St Patrick Primary is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who are able to be involved.

As you are well aware, a Federal election will be held this year and a State election will take place in 2011. It is critical that accurate information about education funding, particularly funding to Catholic schools, is communicated. The Catholic Education Commission NSW (CEC) has sent election material which has been developed by the Council of Catholic School Parents (CCSP). The 11 Catholic dioceses of NSW have made a commitment to facilitate regular distribution of election material through school newsletters. Please read below:

Catholic Schools
Almost 1 in 5 Australian school students are in Catholic schools. Support from Federal and State governments is welcomed and essential to the provision of a Catholic education for these students.

Did you know?
Funding Facts
There are several sources of funding for Catholic Schools:
- Federal Government
- State Government
- Parents through fees, levies and fundraising
Each source of funding is important and critical for the proper resourcing of schools.

Our future governments need to ensure an on-going commitment to quality education and support.

IMPACT LEADERSHIP CONFERENCE
On Tuesday, one fortnight ago the Captains, Vice Captains and Mr Spiller all went to Twin Towns for a Leadership Conference. There were about 18 other schools there. In between each session with Andy or Jen (the main speakers) we had a loud noise game with the loud noise boys (Brandon and Mason). These were the highlights of the day. Each time they came out we had to pick a representative from our school. The most embarrassing one was when Sarah-Jane was picked. She had to dance solo in front of all 500 of us. During the day we learnt a lot about how to be a role model and that leaders have to work together. We encourage next year’s leaders to go because the day is heaps of fun and from our experience we learnt a lot of valuable information on how to be great leaders.

SPORT NEWS
On Wednesday 28th April, 3 teams participated in the 7 a side Goodwill Rugby League Challenge at South Tweed Heads. Twenty seven players had a tremendous time, making try saving tackles and if not personally scoring, certainly setting up tries for team mates. Our senior team progressed to the next stage on 1st June to be played at Mullumbimby, then possibly Sydney. Thank you to parents for transporting and cheering on the entire squad. Special mention to Coach Jeff (Jack Gibson) Logan and Mr Houlahan.

The next day 47 enthusiastic students competed in the Zone Cross Country in unseasonally hot weather. Each and everyone must be commended on their effort and great team spirit which contributed to Mt St Patrick winning both the overall pointscore and aggregate trophies! Congratulations! Special congratulations to the following students who qualified for the Zone team.

1st: Stella Wilson, Sarah Champley, Grant Harris
2nd: Ben Champley, Sandon McCarthy
3rd: Hayley Smith, Clara Withers, Lilith Malcolm, Jack Orr
4th: Deklan Spry, Daecian Sparkes Young
5th: Will McLean
6th: Eva Kettle, Sam Naoum

Thank you also to our team manager Alice Withers and course marshals Kim Hardy and Jodie McLean.

The Paul Wilson Soccer Challenge has been set for 4th June.

Our Athletic Carnival will be on Friday 25th June. We rely on our wonderful parent helpers to ensure maximum enjoyment, involvement and safety for our students. If you are able to assist in any way please complete the form below.
